

## Bureau of Indian Affairs, Interior

§ 175.51

(f) Not operate or handle customer-owned equipment without the express permission of the customer, except to eliminate what, in the judgment of the utility, is an unsafe condition; and

(g) Not allow the unauthorized use of electricity.

shall cause the customer's account to become delinquent, which may be cause for discontinuance of service. Only legal tender, a cashier's check, or a money order shall be accepted by the utility to cover an unredeemed check and associated charges.

### Subpart D—Billing, Payments, and Collections

### Subpart E—System Extensions and Upgrades

#### §175.30 Billing.

(a) *Metered customers.* The utility shall render bills at monthly intervals unless otherwise provided in special contracts. Bills shall be based on the applicable rate schedule(s). Unless otherwise determined, the amount of energy and/or power demand used by the customer shall be as determined from the register on the utility's meter at the customer's point of delivery. A reasonable estimate of the amount of energy and/or power demand may be made by the utility in the event a meter is found with the seal broken, the utility's meter fails, utility personnel are unable to obtain actual meter registrations, or as otherwise agreed by the customer and the utility. Estimates shall be based on the pattern of the customer's prior consumption, or on an estimate of the customer's electric load where no billing history exists.

(b) *Unmetered customers.* Bills shall be determined and rendered as provided in the customer's special contract.

(c) *Service fee billing.* The utility shall render service fee bills to the customer(s) as a special billing.

#### §175.31 Methods and terms of payment.

Payments shall be made in person or by mail to the utility's office designated in the operations manual. The utility may refuse, for cause, to accept personal checks for payment of bills.

#### §175.32 Collections.

The utility shall attempt collection on checks returned by the customer's bank due to insufficient funds or other cause. An administrative fee shall be charged for each collection action taken by the utility other than court proceedings. An unredeemed check

#### §175.40 Financing of extensions and upgrades.

(a) The utility may extend or upgrade its electric system to serve additional loads (new or increased loads).

(b) If funds are not available, but the construction would not be adverse to the interests of the utility, a customer may contract with the utility to finance all necessary construction.

(1) A customer may be allowed to furnish required material or equipment for an extension or upgrade or to install such items or to pay the utility for such installation. Any items furnished or construction performed by the customer shall comply with the applicable plans and specifications approved by the utility.

(2) The utility may arrange to refund all or part of a customer's payment of construction costs if additional customers are later served by the same extension or if the Area Director determines that the service will provide substantial economic benefits to the utility. All arrangements for refunds shall be stipulated in a special contract.

### Subpart F—Rights-of-Way

#### §175.50 Obtaining rights-of-way.

Where there is no existing right(s)-of-way for the utility's facilities, the customer shall be responsible for obtaining all rights-of-way necessary to the furnishing of service.

#### §175.51 Ownership.

All rights-of-way, material, or equipment furnished and/or installed by a customer pursuant to this part shall be and remain the property of the United States.
